MEASUREMENT GUIDE

Use this form to tell us a little bit about your project. Please attach a sketch of your room with dimensions. Pictures are worth a thousand words, so it is important to take many pictures of different angles to make sure we understand the full scope of your project. Once we have those details, we will match you with one of our professional kitchen designers who will work with you to create a set of plans for your dream kitchen.

TIPS FOR MEASURING YOUR SPACE

- Use a pencil to ensure easy changes
- Measure in INCHES only
- Include location and size of windows and/or doors.
- Make sure you take pictures of all your spaces.

↑ WE NEED SOMETHING SIMILAR TO THIS ↑

- 1- GRAB A PIECE OF PAPER
- 2- USE ROUGH MEASUREMENTS
- 3- TAKE A PICTURE OF YOUR TEMPLATE
- 4- TAKE PICTURES OF ALL YOUR PROJECT AREAS
- 5- EMAIL ALL THE PICTURES TO:
Greg.Millen@HeritageHDD.com
Rosie.Millen@HeritageHDD.com
